The most extraordinary discovery in the World is the Great Arabian Remedy for man and Beast. H. G. FARRELL'S

CELEBRATED ARABIAN LINIMENT

LIVERY family should at once procure a bottle of the great Arabian remedy for man and beast, called H. G. FARRELL'S ARABIAN LINIMENT. It allays the most intense pains in a few minutes, restores the synovial fluid of oint water, and thus cures stiff joints; it penetrates the flesh to the bone, relaxes contracted cords, cures rheumatism and palsied limbs of twenty years standing; also tumors, swelled eck, enlargement of the glands, and is the best medicine for aitments of cattle ever discovered, curing sweeny, spavins, splint, and all diseases which require an external ap-Sun Pain of 10 years standing cured by H. G. Farrell's

Arabian Liniment. Mr. H. G. Farrell -Dear Sir: I had been afflicted with the "Sun Pain" for the last ten years, and could never get relief except by bleeding; but by the use of H. G. Farrell's Arabian Liniment, applied over the temples about three or four times a day, it was entirely removed, and I have felt nothing of it since. I went into the stable one night, to apply it to a horse's leg, and being very lame he stumbled and fell against my legs, crushing and bruising them so badly that they turned black as my hat, rendering them powerless. I applied your Liniment, and was well enough in a few days to go about again as usual. I also crushed my finger in a shocking manner, by leiting a back log fall upon it; your Liniment soon bealed it up, though, JOHN B. La Salle precinct, Peoria co., Ill., Feb y 6, 1849. JOHN B. M'GEE.

Mr. H. G. Farrell's Arabian Liniment has cured some bad eases here which every other remedy had faile in; one was a white swelling and contracted cords in the leg of a boy twelve years old. The leg had withered away, and was so contracted that he had no use of it. Three doctors had tried their skill upon it in vain, and he was fast sinking to the grane, when the boy's father was induced to try H. G. Farrell's Arabian Linimeut. Before the first bottle was used up he came to Mr. B.'s store, and the first words he said were, "Mr. Barker, I want all that Liniment you have in the store, the one bettle I got did my boy more good than all that had ever been done before." That boy is now well and hearty, and has free use of his legs. It is good for sprains, bruises, cuts, burns and swellings.

Look out for Counterfeits! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Limiment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects. The genuine article is manufactured only by H. G. Farrell,

sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. G. before Farreli's, thus—H. G. FARRELL/S and his signature on the wrapper, all others are counterfeits.

IN GREAT DEMAND. Seam Shirts, Under Garments, Kid Gauntletts, Kid and Silk Gloves, Embr'd Vestings, Cloths, Cassimeres, &c.

WE are supplying as fast as we can manufacture them, the popular Wrought Iron Cooking Stove called the popular Wrought Hon SSEAN. and we offer the following good and sufficient reasons why it should be in every family in the South: 1st. It is of Southern manufacture, being made by the subscribers in the city of Nashville.

2nd. It is of such durable materials that it must out last

three or four cast iron stoves.

3rd. It is more complete in its cooking apparatus than any cast iron cooking stove. 4th. It is so complete in its construction, that a child can 5th. Its economy of fuel is such, that it does not use half as much fuel as a cast iron stove of the same size. 6th. In economy of time it is important, as it can be heat-ed ready for cooking in a few minutes.

7th. Its uniform regularity, as every part of the stove is equally heated at the same time. 8th. Its perfect reliability, as we have put up over 400 of them in this State, and no one has ever failed to give entire satisfaction.

The Tennessean has now been before the public for five years, and if not as new as some, it has another advantage quite as great, viz: a well earned reputation and a rising credit. It has been doing the work of many hundreds of families for several years, and it may be said, TO HAVE ESTABLISHED ITSELF IN BUSINESS. Competition and change have done it no hurt. Like an old and well known trading house that retains its regular custom while powerses. have done it no hurt. Like an old and well known trading house that retains its regular custom, while new ones are springing up around it, so this stove has held on its way. No stove could thus steadily and permanently prosper, that has not sterling qualities—the true element of success.

The Tennesseau started on right principles, and has had no occasion to stop for improvements. Those who have used it, are determined still to use it, without modification or change. It is brought forward as the same substantial, convenient, business-like stove, that has served the public so well heretofore, and that has done its full share in gaining for our establishment the reputation it enjoys; of keeping the best cooking stoves in the market.

Mourron, Als., July 20, 1851.

Dr. Chas. Williams—Dear Sir,—I embrace the present opportunity of addressing you a few lines relative to your Pulmonic preparation of Wild Cherry, which you have introduced to the notice of the public. I have all my life been opposed to all secret remedies, but after my interview with you last Spring, and from the information you imparted to me relative to the ingredients of which your excellent proparation is composed, I felt no hesitation in trying your preparation in my case, and am pleased to say it fully justified the favorable impression I had entertained of its efficacy in affections of the Lungs. I also prescribed your preparation to many of my patients with the greatest' success. I am also informed by my friend Dr. Jenkins, of Hillsboro' that he has found it in his practice to be a most valuable Anodine Expectorant in all cases that have been under his observation. I would suggest to you the propriety of having your agent always fully supplied in this place, as I found that your agent here had entirely sold out all you had forwarded him. I take great pleasure in recommending your valuable preparation as a most efficient remedy in all Pulmonary Affections and the best Anodine Espectorant with which I am acquainted. If you think this will be of any benefit to you, you can use it in such a manner as you may think advisable

"And by the river, upon the bank thereof shall grow all trees for meat, whose beaf shall not fade and the fruit thereof shall be for meat and the leaf thereof for medicine." Here was hope for the sick recorded long ago, and every year adds new proof to the assurance that these promises

shall not fail-As medical Science discovers and designates the remedie nature has given, one by one, the diseases that afflict our race yield to the control of art. Of all the maladies we suffer from, none has carried more victims to an untimely grave than Consumption of the lungs. Subjoined we give some evidence that this too may be cured, and the Pulmonary Complaints, in all their forms, may be removed by CHERRY PECTORAL.

Space will not permit us to publish here any proportion of the cures it has a ected, but the Agent below named, will furnish our Circular, free, whereon are full particulars and indisputable proof of these facts. Sufferers: read and judge for yourselves. FOR INELUENZA AND WHOOPING COUGH.

NASHVILLE, Tenn., June 26, 1851. Sir: I have repeatedly used your Cherry Pectoral for Whooping Cough and Influenza and have no hesitation in pronouncing it a complete remedy. Four of my children have been afflicted with these diseases, and the free use of the Pectoral has always afforded almost instant relief.

We attest to the truth of the above statement. E. P. McGINTY, Editor of the Nashville Whig. J. M. ZIMMERMAN, Druggist, FOR A CONSUMPTIVE COUGH. Pirisauno, Pa., Feb. 25, 1851. Dear Sir:-For three years I have been afflicted with a Cough, so distressing that I frequently dispaired of recovery; much of the time I was obliged to sit up all night in my chair, as my cough would sufficate me when I had down.

Having used many remedies without much relief, I at last tried the CHERRY PECTORAL which under Providence has cured me altogether. I am with gratitude yours, JAMES M'CAMBLESS. This is one of the numerous Cares of Asthma which have been accredited to Cherry Pectoral Dr. Ayer, Lowell. Draw Sir: I have for years been aflicted with Asthma in the worst form, so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried a great many

an experiment, your CHERRY PECTORAL. At first it seemed to make me worse; but in less than a week I began to experience the most gratifying relief from its use; and now, in four weeks, the disease is entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I had never expected to enjoy.
